You can donate between May 1st-11th to participate! This online giving event helps to raise money for nonprofit organizations across Minnesota to help them move forward to what's next. COVID-19 Pop-up Vaccination Clinic

On April 16th we partnered with Essentia Health, First Covenant Church, Family Freedom Center, Community Action Duluth, Ecolibrium3, and St. Louis County Mental Health Court to host a pop-up clinic that vaccinated almost 100 people. The 2nd dose clinic will be Friday, May 14.

Volunteers

Since January LPCFC has hosted 5 UMD Public Health students and 2 UMD Social Work student volunteers. Together they completed 1,160 volunteer hours. We also have a volunteer driver for our Supported Family Time program that has been helping with one case. Thank you!

Big Red Bookshelf

The Big Red Bookshelf program added a new bookshelf location at the Windwood Townhomes! We dropped off a total of 120 books to 4 local daycares. We are continuing to think of creative ways to get books into the hands of community members. Please contact us if your family or organization would like books!
