**LPCFC ChildCare Program Participates in the Child and Adult Care Food Program**

Lincoln Park Children and Families Collaborative (LPCFC) announced its participation in the Child and Adult Care Food Program for 4 Star Parent Aware Rated licensed family childcare in 2023. Meals will be available at no separate charge to enrolled children at our site, Lincoln Park Children and Families Collaborative, located at 2424 West 5th Street, Suite 20 from 7:30AM-5PM.

The goal of the food program is to improve the diets of young children and increase the opportunity for children to eat a variety of nutritious foods. Meals meet nutritional standards established by the USDA.

LPCFC believes children begin their lives by playing. From their play activities, they learn about the world around them and they learn the skills they need to grow. Play is the best way for children to develop the skills that will lead to later school success. LPCFC Childcare provides children with many opportunities to play based on interest and enjoyment. LPCFC staff support and extend play through observation, conversations with children, and guiding interactions between children. LPCFC aims to provide affordable, high quality childcare to infants, pre-school age, and school age children, especially those who live below the poverty line.

LPCFC is an equal opportunity provider.
